STARRING CHARLIE CHAPLIN™

Totally original in game play and concept, this is your opportunity to become a 1920's movie mogul, directing the legendary Charlie Chaplin in an epic comedy production.

As director you will have a choice of hilarious slapstick scripts to choose from. Each script details the number of scenes to be shot, the scenery involved and the characters concerned. Now you're ready — Scene One — Take One... ACTION!

Then it's on to the editing suite to edit and view your Chaplin movie. What will the critics say? Will your film be an overnight box office sensation or flop? Will you get the budget for another film or take a trip down skid row? It's up to you director!
